

## **Residential Door & Opener Warranty**

17339 Croghan Pike  
Shirleysburg, PA 17260 • 814-447-3570

We want to Thank you for choosing Mountain Air Garage Doors to be your professional garage door installer. Our vision is to be your long-term partner, striving to exceed your expectations, and quickly respond to your needs.

Professionally installed by \_\_\_\_\_ Date \_\_\_\_\_ 20\_\_\_\_

We, at Mountain Air Garage Doors, offer a first year, from date above, of free service on labor of our installed products. Parts will be covered in accordance with the manufacturer's warranty attached to this paper. After the first year there will be a charge for labor. Parts will be covered in accordance with the manufacturer's warranty. If we come out to fix something under warranty, you have 5 business days to call us back to let us know if your needs were not met. After that service charges will apply again.

**LIMITATIONS:** Warranty will not cover batteries, light bulbs, unauthorized repair parts, commercial use, defects resulting from accidents, or resulting from alterations, lack of proper maintenance, unauthorized repair or modification of product, misuse or abuse of product, fire, flood, acts of God, or corrosive atmosphere. There will be service call charges besides cost of labor and parts to come and fix these problems. If door or opener is not installed on permanent floor at time of installation, there will be a charge to readjust door or opener to permanent floor.

**NOTE:** To have doors and openers remain in good working order they should be serviced once a year by a professional service technician.

**The warranty card for the opener MUST be filled out within 90 days before your warranty is valid with the manufacturer.**

**NOTE:** Please read MFG warranty label on door. Thank you.
